

Cascade Model Helicopter Club

Flying Field Rules

Any field member shall have the authority to enforce the rules herein. If a person deliberately refuses to comply with a specific safety rule, that person will be expelled from the flying facility and the facts will be reported to any club officer. The incident shall then become club business and appropriate corrective action deemed necessary will be addressed promptly!

1. All pilots must adhere to the current AMA Safety Code or any modifications thereof.
2. All pilots must have a current AMA license and be either a CMHC member or authorized guest thereof. An individual non-member can be a guest of a field dues paying member no more than three times per year.
3. Guests and all CMHC junior members must be accompanied by an adult CMHC member.
4. All transmitters not in use must be turned off and kept in the transmitter impound area.
5. All transmitters in use must have (1) the correct frequency flag, and (2) the red "72 MhZ - Aircraft Use Only" flag. All pilots will ensure that the correct frequency pin is on the "In Use" board before turning on a transmitter.
6. Aircraft engines must meet current CMHC and AMA decibel requirements.
7. Flying over, hovering or "air taxiing" in the pit area or walkway approaches is strictly prohibited. All flying must be done north of the flight line.
8. Helicopter run-up stands are strictly prohibited from use at the field.
9. A maximum of 4 aircraft may be in the air at any given time, with 3 being the recommended number.
10. Spectators, quests and children are not permitted on the flying field. They must remain behind the pit area.
11. Pets of any kind are not allowed at the flying field.
12. The use of drugs or alcohol are prohibited at the flying field.
13. Only radio equipment conforming to the 1991 narrow-band frequency requirements may be used at the field. All 72 MhZ frequencies are available at this time.
14. All members are expected to keep the flying and parking areas clean and free of litter. If you brought it, take it home with you!
15. Common sense and courtesy shall prevail at all times.

For safety's sake, don't be bashful. If you are not sure as to what you are doing, or don't understand the rules, ask any member in the pit area for advice or assistance.
